Lockdown rules valid till 7th March 2021

Almost all shops will stay closed, only those selling essentials for daily life will remain open i.e. shops selling food and/or drinks, pharmacists, drugstores and post offices.

Curfew

There is no curfew any more in Bavaria and Baden-Württemberg.

If incidence values rise over 100 then the curfew will start again in these areas.

Face mask (a clean mask covering both nose and mouth –FFP2 masks):

1. It is mandatory to wear a face mask outside your room i.e. in kitchens and other communal areas.
2. In town centres, in pedestrian precincts, in public areas.
3. In all shops, offices, doctor's surgeries and hospitals.
4. In railway stations, in trains, buses, trams and at their stops.

Schools and Kindergarten

- Kindertagesstätten and Kitas open again on 22th February 2021
- Schooling will be start again for classes 1-4 primary school on 22th February 2021 and online (home schooling, remote learning). Please read the school information.

Meeting family and other people

At home and outside you may only meet up with ONE person from one other household not counting children under 3 years.

Please obey these rules. The police will be out patrolling to enforce them, even in your residence if they receive complaints from neighbours. The penalties are very high.
