Update: 29.04.2021

## Lockdown due to incidence rate > 200

Those businesses selling essentials for daily life i.e. shops selling food and/or drinks, pharmacists, drugstores and post offices will remain open. Other businesses will work on a click and collect basis, i.e. goods can be ordered by phone and collected at an appointed time.

### Curfew

The curfew for Bavaria (Neu Ulm) and Baden Württemberg, Ulm: 10 o'clock in the evening until 5 o'clock in the morning.

### Face mask (a clean FFP2 mask covering both nose and mouth):

1. It is mandatory to wear a face mask outside your room i.e. in kitchens and other communal areas.
2. In town centres, in pedestrian precincts, in public areas.
3. In all shops, offices, doctor's surgeries and hospitals.
4. In railway stations, in trains, buses, trams and at their stops.

### Schools and Kindergarten

- Kindergartens and Kitas are only open for exceptional cases.
- Schools are working with remote learning (homeschooling)

### Meeting family and other people

At home and outside a family can only meet up with one additional person from another household.

(Children under 14 years do not count in Bavaria and Baden Württemberg).

Please obey these rules. The police will be out patrolling to enforce them, even in your residence if they receive complaints from neighbours. The penalties are very high.
